A supernatural thriller rabbit hole of reptilian schemes and mobsters are found in Konn Lavery's new book *Crystal Moth Conspiracy*.

Lola Cabello lives on the run after exposing the law's corruption to the notorious Crystal Moth gang. They are responsible for murdering her loved ones. She is hellbent on revenge and will stop at nothing to end the moths and clear her name.

Major Crimes is on the hunt with Detective Iglesias and his team. He obsesses over the case, sacrificing his relationship with his son for the law, only to discover they have ties with the Crystal Moths. The gang, led by the fallen angel Mastema, introduces a new deadly street drug called ash with the assistance of a ruthless reptilian race.

A mysterious nymph named Synarion, responsible for balancing mother nature, allies with Lola. Together they discover the mystery behind the ash drug and target the fallen angel leader. This forces the gang to send their fiercest assassin, Scalebane, to silence Lola.

Her allies have their own agendas, seeding paranoia into her thoughts while the media portrays Lola as the country's top criminal. She gets too close to the ash drug, thinking it is bettering her, while she encounters vampiric plants, a demon, and the supernatural.

The news distorts fact from fiction. Detective Iglesias is closing in.

The Crystal Moth web of influence grows.

Lola is not prepared for this rabbit hole.

KONN LAVERY

Author of Dark Fantasy, Horror and Thriller Novels

Konn Lavery is a Canadian author whose award-winning fiction has reached the bestselling charts on Amazon and in his hometown, Edmonton. His work has been described as uncanny and immersive and frequently falls under the Dark Fantasy and Horror genres. Each of his stories are housed within the expanding universe known as the Macrocosm spanning across time and space.

He has been recognized by reviewers such as Reader Views, Readers' Favorite, Literary Titan, and by award programs such as indieBRAG, The Wishing Shelf Book Awards, eLit Awards, and Dan Poynter's Global Ebook Awards. His work has also been curated into the Edmonton Public Library's Capital Press collection.

Konn started writing stories at a young age while being a homeschooled vegetarian, enthralled with storytelling. After graduating college, he began professionally pursuing his writing with his first release, *Reality*, in 2012 while balancing his graphic design business. Konn's visual communication skills have been transcribed into the formatting and artwork found within his publications, supporting his fascination with transmedia storytelling.

Also by Konn Lavery

Drugs, bloodshed, lust, and toxic masculinity are some of the themes found in Konn Lavery's novel Rave.

"Filled with murder, mayhem, and uncanny, the award-winning Lavery's unsettling latest takes readers on a thrilling journey into grit and horror."

The Prairies Book Review ★★★★★

"Lavery handles all of the staples like the harbinger, misdirects, and false safety scares with a loving grace that could only come from a true horror fan."

Amanja Reads ★★★★★

A 24-hour slasher tale of angst and survival.

One night in 1999 sends four ravers into a living hell when they carelessly get their DNA on an unexplainable beheading.

There's no liberation for Seth as he and his friends fight for their lives in the night woods. The RCMP will completely believe that these drugged-out kids at an illegal festival saw a horned man-beast decapitating people—right?

Even as the head-chopper closes in, Seth is fixated on his consumptions and love conundrums between the Rave King Dimitri and his friend April. Oh, and his older cousin Floyd shows up to shed light on the tenth anniversary of his brutal crime. These four kids are in for the rave of a lifetime.
